North Carolina Central University School of Law  
Class of 2012

**Re: Vote DOUCETTE for SBA Representative this Thursday!**

Ladies and Gentlemen,

Before casting your ballots later this week for your elected leaders, ask yourself 3 things:

1. *“Did the Student Government officials at my alma mater only seem to be available when they needed my vote?”*
2. *“Do I want my financial aid refund from the law school earlier than I got it this semester (August 28th for most law students)?”*
3. *“Should the people who serve me on the Student Bar Association have the competence and work ethic to deliver on their promises?”*

**If you answered “yes” to any of these questions, I would greatly appreciate your vote to serve as a Class of 2012 SBA Representative!**

**Experience that Listens:** During my undergraduate career I spent 4 years listening to students as a member of N.C. State’s Student Senate. No one knows your experiences better than you do, and as your Representative ***I \*will\* faithfully convey your concerns*** to the people who matter. Use my contact information at the top of this letter to get in touch with me on any issue at any time, even if it’s 3:00am on a Saturday morning -- I might not be happy when I answer the phone, but I’ll be here for you.

**Experience that Understands:** As a former college dropout who is currently paying his own way through law school, I know firsthand the difficulty of living off a limited budget while pursuing an education. That’s why I have already spoken with the Chancellor of N.C. Central to work on ***faster refunds for law students***. Since we typically do not add or drop classes mid-semester in significant numbers, we should not be bound by the undergraduate refund timetable.

**Experience that Delivers:** I am currently in my 2nd term as President of the statewide UNC Association of Student Governments, an organization on the brink of extinction only two years ago. Through high expectations and an uncompromising work ethic, student leaders and I turned UNCASG into the most influential student advocacy group in the state. ***I stand by my promises***, and as your Representative I will ensure your concerns get addressed.

\*\*\*

For these reasons and many more, I will not let you down if you cast your vote for **DOUCETTE** for SBA Representative this Thursday. Feel free to contact me if you have any questions or if there is anything I can do to help you!
